We are proud to be an Equal Employment Opportunity and Affirmative Action employer, including females, minorities, protected Veterans, and those with disability.

### Our Services/Solutions

Network Resources offers a comprehensive suite of services to include:

**Healthcare Services:** clinical/laboratory services, medical administrative, billing, consulting, and medical supplies.

Among our strongest competencies is our ability to successfully recruit across a broad and diverse range of employees.

**Laboratory Services:** administering drug, alcohol, steroids and esoteric medical testing services. We are also a distributor of Laboratory Supplies and Consumables. Additionally our team provides Genetic/Paternity testing services, Specimen collection, courier pickup, and testing services

**Medical Staffing:** providing consulting services to medical offices on best practices for more efficient and effective management of staff and time. Our Medical Staff provides Certified Phlebotomist and Medical Technicians. Our rigorous screening process includes a thorough credentials review, background check, skills assessment, employment history verification, and personal interview.

**Project Management:** certified project managers guiding teams and projects from start to finish in an efficient and cost effective way. Our Project Managers help our clients improve their ROI, reduce risk, improve collaboration and decrease stress during the project.

**Health and Wellness:** providing education and consulting combining Eastern and Western medicine in areas such as pain and inflammation, stress management, using food as medicine, etc. Our team helps with lifestyle changes that improve patient's quality of life. The patient is our focus.

## CAPABILITY STATEMENT
